TREE DUMP

The Tree Dump is a *privilege* for Montrose citizens. It is regulated by the state and therefore comes with directives we must follow.

*Obtain a gate key from the City Office during weekly business hours.

*Trees only; no garbage, tires, furniture, chemicals/oil, grass clippings, or yard waste

*Trees that come within city limits only.

*Tree debris goes into the dump site, not along the road or dumped at the gate.

* Lock the gate when finished, return keys

WHY ARE PERMITS SO IMPORTANT?

Q: Why does Montrose City have to require building permits?

A: Ordinances are in place to ensure *safety, construction, environmental*, and *zoning standards* are being met. Verifying plans helps protect the public and properties by preventing unsafe structures from being built.

LEGAL AND LIABILITY ISSUES:

Ordinances prevent costly legal conflicts and promotes responsible development

within the city.

Lawsuit history within our local governments is a good reminder that cities need to take steps to recognize and minimize potential

liabilities by permit enforcement.

REQUIRED PERMITTING LIST:

New Residential/Commercial structures

Houses/Shouses, Garages, Sheds, Decks,

Fencing, Car Ports and Concrete Pads

Additions to existing structures

Changes in siding, windows, fencing, etc..

MOVING permits and DEMOLITION permits.

Q: WHY IS PET LICENSING REQUIRED?

A: To ensure Rabies Vaccinations for public health, to promote responsible pet ownership, to increase the likelihood of lost pets being reunited with their owners, and to help fund service calls to the humane society when needed.

Annual Pet Licensing occurs in January

Fixed: \$5 each / Unaltered: \$10 each

City needs a copy of Rabies Vaccinations

Licensing prevents incurring fines for non-compliance with local ordinances.

Disturbance of the peace by barking dogs may require the removal of the animal by a call to the Sheriff's Dept.

NUMBER OF PETS LIMITED:

No more than 6 (six) domestic pets, per household, except birds and fish.

No more than 6 (six) chickens and ducks per household.

Not Allowed: Roosters, Turkeys, Geese or Livestock.
